**Subject:** Regarding Import Containers Gate out as Full

**Reference:** Announcement numbered E-100033-732-16/1013 and dated 10.04.2023

Dear Business Partners,

The implementation stated on the reference announcement will continue within the below framework.

Early gate out incentive of \$25/ per gate out will be credited for the import laden containers which exit within the first 7 days of storage by road transportation.

Within the same scope, "late gate-out surcharge" of \$40/ per gate out will be applied for the containers exiting after the first 7 days.

The above-mentioned, limited period implementation will start with the containers whose storage period starts on 1<sup>st</sup> June 2023, and will end with the containers whose storage period starts on 30<sup>th</sup> June 2023.

You are kindly requested to circulate the subject announcement to your members and related parties.
