

**Number :** MIP-100033-012-17/1846

**17.06.2022**

**Subject :** Berthing Window Application

**Reference :** Announcement No. MIP-100033-012-5/828 dated 21.03.2022

Due to intensive berthing demand which our terminal has recently faced, the fact that increased dwell time, yard occupancy occurred because of empty and laden containers and increased container movecounts per vessel, Berthing Window Application within our existing berth planning is suspended excluding services with proforma maximum drafts 13 m and above which are listed on below table as of 20.06.2022 until further notice.

**BERTHING CALENDAR**

DAY	LINE	SERVICE	MAX DRAFT	WINDOW START	WINDOW FINISH
Monday	MSC	IMED	13,5 m	Monday 02:00	Monday 23:59
Tuesday	HAPAG LLOYD	GEM	15,0 m	Tuesday 01:00	Tuesday 22:00
Wednesday	CMA-CGM	NC LEVANT	13,5 m	Wednesday 12:00	Thursday 06:00
Thursday	MSC	LEVEX	13,5 m	Thursday 08:00	Friday 12:00
Friday	MSC	SOUTH TURKEY	13,0 m	Friday 16:00	Saturday 12:00
Saturday	THE ALLIANCE	MD3	14,0 m	Saturday 16:00	Sunday 20:00

The berthing order of other vessels will be organized according to first come, first served principle.

MIP will continue to reserve its rights to determine the berthing plan considering berth specifications, the condition and specifications of equipment on the berth, and of others which will serve the vessel, the vessels length and draft, weather conditions and all other operational conditions.

Best Regards

Çağdaş Çetinkaya
